# CURRY FOR CHILDREN

## Additive-free children's curry powder 90g

**Zero spiciness**

**additive-free**

**Free of 27 allergens**

Our motto is to make products without food additives.

We have avoided 27 problematic allergens as well as food additives, resulting in a safe and reliable product.

It contains no flour, salt, or oil, only spices carefully roasted and blended in-house.

It has a strong curry flavor, but is not spicy at all.

We recommend this curry powder for children's "first curry".

Name: Spices

Ingredients: Coriander, cumin, turmeric, onion, garlic, cinnamon, fenugreek, paprika

Content: 90g

No additives such as chemical seasonings are used, so the characteristics of the spices come out straight away. If the bitterness of turmeric bothers you, try adding miso, soy sauce, sweet sake or yogurt.
